Wiles the Lake

During August 1897 I went to the lake and found
the woods about three miles from the lake.
A farmer who drove out each morning to
the lake, told me that he had seen a
man fish and that he was a white man.
- my horse concluded to go to the lake
- if possible find out to whom the fish
man was.

Lorrie and Nettie were now placed in the charge
by their mother. Margaret Gardner was in poor
health, expecting to die soon. She could not work in the
time. They were admitted Jan 1881.
Mrs Gardner got better and married again.
one of her older girls, ^{Staggie} married a son of the
Hendersons. When Nettie was 10 years old
she went to live with them.
Lorrie remained at the Reformatory.

Lorrie's mother was (I believe) born in
the Reformatory Aug 9-1881.
His mother had been married before and
then married a man by the same name. He
both died leaving little John in the orphan
class. who died for him as long as he lived
then was obliged to place him in the Reformatory
system. When he was 10 years old
a home provided for him. The Reformatory
system of Franklin Park. It was not until
until he was eighteen - a very good boy.

Your arrival was passed in the city - by the
 11th of May - 1871. aged 1 year and 11 months
 in Dec^r of the same year she concluded to put
 him with relatives but was soon sorry and wanted
 to bring him again to us as we could not receive
 him the place in the home at New Brunswick

James Little was born in the city in 1851
 1851. He is now 18 years old. His mother
 was a worthless girl - and when
 the little boy was born, he was taken by his grandmothers
 and kept by her until he entered the Reformatory -
 it was a sad case - but the child is very nice -

note

William James Little was placed in the Reformatory
 by the Prison Director Little - since 1871
 His father was a terrible drunkard and died in
 a few years. when Willie was twelve years old
 he was placed in the home

1887

It was James who placed in the way
 of Annie Duplont a pretty young girl - who said
 she was the mother of the little boy. About
 a year after we heard she was the little boy's
 mother. After a great deal of denial she admitted
 the fact. Said he was two years old and that
 she was only 14 years old when she became a
 mother. It was a very sad story to hear of but
 she seemed very fond of the child and
 the time took her mind off her misfortune.

Leila and Jessie ~~Lebe~~ - Orphans were
 placed in the way - by their elder sister
 in Feb 1878. The sister giving a full surrender

Joseph when he was twelve - and a year at home boy went to live with the Bournes at Franklin Park Station - N.J. when he was sixteen years old he ran away.

Eddie Downing papers could not contain the history of this family or this boy.

In April, 1888, a terrible explosion took place in a room in a tenement house in the city a child's voice was heard for a few minutes then there was silence - the door was broken open and there they found a small little light haired boy - who said his name was Eddie Downing - he made for his mother, but to no avail, he was then placed in the asylum - about a year after this a woman calling her self Maggie Downing came to search for her boy she said she had gone out in the Blizzard and lost her way and the Police had thought her drunk and put her in prison and kept her there - well Maggie gave up the idea after a while - her husband was the victim of a noted robber by the name of Oliver Downing.

In 1890 Maggie seemed to reform and married into a family - then Eddie & in many years went to see her and she hid him and the Police helped her - in about 1895 she was in the hospital - Eddie worked for Marshall & Pease

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some faint smudges and discoloration, particularly towards the edges. The right edge of the page shows the binding structure, including what appears to be a vertical strip of lighter material and some stitching or staples. There is no text or other markings on the page.
